SUMMER 2024

Bloomington South

Our summer tennis programs fill up quickly, so start planning.

Once again, Lifetime Bloomington South is pleased to partner with Jefferson High School to offer Junior Team Tennis this summer **2024**.

A few notes:

1. This summer programming is designed for U18 JV and Varsity players. **Lifetime offers other programming for beginning players.**
2. Players are not required to be Lifetime members.
3. Players **must be** USTA members. There is no fee for juniors. Access **usta.com** to become a member.
4. JTT runs **June 3 -July 18** Mondays, Tuesdays, and Thursdays 1-3pm
5. Practices and home matches held at JHS.
6. Players are responsible for getting to away matches - players often carpool.
7. No practice week of **July 1-4**

JTT hosts an end of season sections tournament for 18U Intermediate Level to be held **July 23/24/25 18U Two Rivers HS**. **Please note:** in the round robin we will feature our best line-up; the pros will do their very best, however, to ensure that all players that want to compete will do so in at least one match.

In case of inclement weather, please fill out this online waiver so we may offer indoor tennis: <https://lifetime.formstack.com/forms/sponsoringmemberform>
